My First LaTeX Document

Your Name

October 24, 2026

1 Introduction

This is a sample LaTeX document. Edit this text, save the file, and use `LaTeX Workshop: Build LaTeX project` to create the PDF.

2 A Simple Equation

The well-known mass–energy relation is

$$E = mc^2. \tag{1}$$

3 Conclusion

You can now write your paper locally in VS Code or VSCodium.
